- h) As stated in this Copyright Release Form, as the corresponding author² I will be responsible for any disputes that have occurred and may occur in the future.
- i) As corresponding author² I have been authorised by all of the authors³ that I transfer all the legal rights such as processing, reproduction, representation, printing, distribution and online transmission to Altinbas University, without any limitations.

As corresponding author² of the manuscript entitled¹ notwithstanding the mentioned above, the contributor(s) of the work or, if applicable the contributor's employer, retain(s) all proprietary rights other than copyright such as:

- a) The free of charge use of all parts of this article for the author's^{2,3} future works in books, lectures, classroom teaching, presentations or oral patent rights.
- b) The free of charge right to reproduce the article for their own purposes provided the copies are not offered for sale.

However, reproduction, posting, transmission or other distribution or use of the article or any material contained therein, in any medium as permitted hereunder, requires a citation to the Aurum Journal of Health Sciences and appropriate credit to Altinbas University, suitable in form and content as follows:

(Write the Title of article, name of author(s), journal title, volume/issue and year of publication).

As the corresponding author² of the manuscript entitled¹ on behalf of all authors³ I also warrant that "Altinbas University and Aurum Journal of Health Sciences" will not be held liable against all copyright claims of any third party or in lawsuits that may be filed in the future, and that I will be the only person who will be liable in such cases.

As the corresponding author² of the manuscript entitled¹ on behalf of all authors³ I also warrant that the article contains no libellous and unlawful statements, I/we did not use any unlawful method or material during the research, I/we obtained all legal permissions pertaining to the research, and I/we adhered to ethical principles during the research.
